### PRODUCT SYNONYMS

Fos-related antigen 2; Polyclonal Antibody; Rabbit anti-human Fos-related antigen 2 polyclonal Antibody; FRA-2; FOSL2; anti-FRA2 antibody

### PRODUCT SPECIFICATIONS

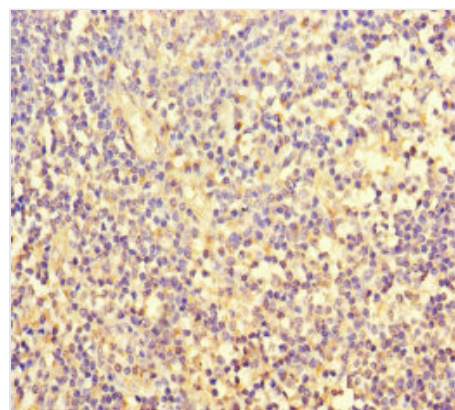

|                                                |                                                                                                                |
|------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                         |
| Reactivity                                     | Human                                                                                                          |
| Clonality                                      | Polyclonal                                                                                                     |
| Isotype                                        | IgG                                                                                                            |
| Purity/Purification                            | Caprylic Acid Ammonium Sulfate Precipitation Purified                                                          |
| Sequence Length                                | 326                                                                                                            |
| Applicable Applications for anti-FRA2 antibody | IHC (Immunohistochemistry), ELISA                                                                              |
| Storage Buffer                                 | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                               |
| Conjugate                                      | Non-conjugated                                                                                                 |
| Immunogen                                      | Recombinant human Fos-related antigen 2 protein                                                                |
| Santa Cruz Alternative                         | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-13017 / sc-171 / sc-604                |
| Preparation and Storage                        | Shipped at 4 degree C. Upon delivery aliquot and store at -20 degree C or -80 degree C. Avoid repeated freeze. |
