

## Rabbit Anti-Muellerian hormone type-2 receptor Polyclonal Antibody | anti-AMHR2 antibody

Rabbit anti-human Anti-Muellerian hormone type-2 receptor polyclonal Antibody(AMHR2)

|                               |                       |                                                                        |
|-------------------------------|-----------------------|------------------------------------------------------------------------|
| CATALOG #<br><b>AAA119143</b> | HOST<br><b>Rabbit</b> | APPLICATIONS<br><b>ELISA, Immunohistochemistry, Immunofluorescence</b> |
|-------------------------------|-----------------------|------------------------------------------------------------------------|

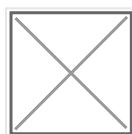

### PRODUCT SYNONYMS

Anti-Muellerian hormone type-2 receptor; Polyclonal Antibody; Rabbit anti-human Anti-Muellerian hormone type-2 receptor polyclonal Antibody(AMHR2); Anti-Muellerian hormone type II receptor; AMH type II receptor; MIS type II receptor; MISRII; MRII; AMHR2; AMHR; MISR2; anti-AMHR2 antibody

### PRODUCT SPECIFICATIONS

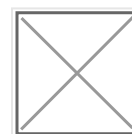

|                                                 |                                                                              |
|-------------------------------------------------|------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                       |
| Clonality                                       | Polyclonal                                                                   |
| Isotype                                         | IgG                                                                          |
| Purity/Purification                             | Antigen Affinity Purified                                                    |
| Form/Format                                     | Liquid; PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                    |
| Applicable Applications for anti-AMHR2 antibody | ELISA, IHC (Immunohistochemistry), IF (Immunofluorescence)                   |
| Immunogen                                       | Recombinant Human Anti-Muellerian hormone type-2 receptor protein (18-149AA) |
| Species Reactivity                              | Human, Mouse                                                                 |
| Conjugate                                       | Non-conjugated                                                               |
| Immunogen Species                               | Homo sapiens (Human)                                                         |
| Research Area                                   | Signal Transduction                                                          |
| Target Names                                    | AMHR2                                                                        |
| Preparation and Storage                         | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                |

### IMAGES

IF (Immunofluorescence)

IF analysis of HepG2 cells using AMHR2 antibody at dilution 1-100

IHC (Immunohistochemistry)

IHC analysis of human adrenal glands tissue using AMHR2 antibody at dilution 1-50

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 257743467      |
| NCBI GeneID               | 269            |
| NCBI Accession #          | NP_001158162.1 |
| NCBI GenBank Nucleotide # | NM_001164690.1 |

|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| UniProt Accession #              | Q16671; Q13762; Q647K2; A0AVE1; B9EGB7; E9PGD2; F8W1D2 |
| NCBI Official Full Name          | anti-Muellerian hormone type-2 receptor isoform 2      |
| NCBI Official Synonym Full Names | anti-Mullerian hormone receptor type II                |
| NCBI Official Symbol             | AMHR2                                                  |
| NCBI Official Synonym Symbols    | AMHR; MRII; MISR2; MISRII                              |
| NCBI Protein Information         | anti-Muellerian hormone type-2 receptor                |
| UniProt Protein Name             | Anti-Muellerian hormone type-2 receptor                |
| UniProt Gene Name                | <b>AMHR2</b>                                           |
| UniProt Synonym Gene Names       | AMHR; MISR2; AMH type II receptor; MISRII; MRII        |
| UniProt Entry Name               | AMHR2_HUMAN                                            |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
