

## Human Interleukin 26 (IL26) Antibody Pair Kit | IL26 antibody pair kit

Human Interleukin 26 (IL26) Antibody Pair Kit (with Standard)

|                               |                            |                                     |
|-------------------------------|----------------------------|-------------------------------------|
| CATALOG #<br><b>AAA148845</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>ELISA, ELISA</b> |
|-------------------------------|----------------------------|-------------------------------------|

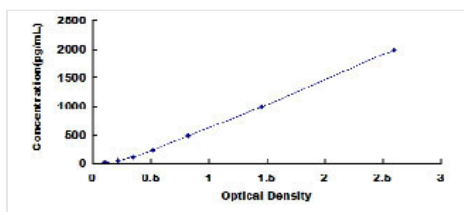

### PRODUCT SYNONYMS

Interleukin 26 (IL26); Human Interleukin 26 (IL26) Antibody Pair Kit (with Standard); AK155; IL26 antibody pair kit

### PRODUCT SPECIFICATIONS

|                                                    |                                                                                                      |
|----------------------------------------------------|------------------------------------------------------------------------------------------------------|
| Reactivity                                         | Human                                                                                                |
| Samples                                            | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates and Other Biological Fluids |
| Detection Range                                    | 31.2-2000pg/mL                                                                                       |
| Applicable Applications for IL26 antibody pair kit | Luminex, ELISPOT, CLIA (Chemiluminescence Immunoassay), ELISA                                        |
| Standard                                           | Recombinant IL26 (Lyophilized, 1 vial-10ug)                                                          |
| Capture Antibody                                   | Rabbit polyclonal antibody (Liquid, 1 vial-400mug/800muL)                                            |
| Detection Antibody                                 | Biotinylated Rabbit polyclonal antibody (Liquid, 1 vial-100mug/500muL)                               |
| Producte Usage                                     | Raw materials can be used for preparation of 5x96T or 10x96T ELISA Kits.                             |
| Antibody Support Pack                              | Antibody Support Pack (Buffer Pack) is sold separately as                                            |

### ADDITIONAL INFORMATION

|                                                      |                                              |
|------------------------------------------------------|----------------------------------------------|
| Product Categories/Family for IL26 antibody pair kit | Cytokine; Tumor immunity; Infection immunity |
|------------------------------------------------------|----------------------------------------------|

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 8923756     |
| NCBI GeneID               | 55801       |
| NCBI Accession #          | NP_060872.1 |
| NCBI GenBank Nucleotide # | NM_018402.1 |
| UniProt Accession #       | Q9NPH9      |

|                                  |                |
|----------------------------------|----------------|
| Molecular Weight                 | 19,843 Da      |
| NCBI Official Full Name          | interleukin-26 |
| NCBI Official Synonym Full Names | interleukin 26 |
| NCBI Official Symbol             | IL26           |
| NCBI Official Synonym Symbols    | AK155; IL-26   |
| NCBI Protein Information         | interleukin-26 |
| UniProt Protein Name             | Interleukin-26 |
| UniProt Gene Name                | <b>IL26</b>    |
| UniProt Synonym Gene Names       | AK155; IL-26   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
