### PRODUCT SYNONYMS

PAPD5; Polyclonal Antibody; PAPD5 Rabbit anti-Human Polyclonal (aa649-698) Antibody; IHC-plus PAPD5 Antibody (aa649-698); Terminal uridylyltransferase 3; TUTase 3; TRF4-2; anti-PAPD5 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                                                                                                    |
|-------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                                                                                                             |
| Reactivity                                      | Human                                                                                                                                                                                              |
| Clonality                                       | Polyclonal                                                                                                                                                                                         |
| Specificity                                     | Human PAPD5                                                                                                                                                                                        |
| Purity/Purification                             | Immunoaffinity purified                                                                                                                                                                            |
| Form/Format                                     | PBS, 0.09% sodium azide, 2% sucrose                                                                                                                                                                |
| Concentration                                   | 0.5mg/ml (varies by lot)                                                                                                                                                                           |
| Applicable Applications for anti-PAPD5 antibody | WB (Western Blot), IHC (Immunohistochemistry), IHC (Immunohistochemistry)                                                                                                                          |
| Target                                          | Human PAPD5                                                                                                                                                                                        |
| Immunogen                                       | Synthetic peptide from C-Terminus of human PAPD5 (Q8NDF8-5). Percent identity by BLAST analysis: Human, Chimpanzee, Gorilla, Gibbon, Monkey, Ferret, Panda, Bovine, Horse, Pig, Guinea pig (100%). |
| Conjugation                                     | Unconjugated                                                                                                                                                                                       |
| Epitope                                         | aa649-698                                                                                                                                                                                          |
| Preparation and Storage                         | Short term: Store at 2-8 degree C. Long term: Aliquot and store at -20 degree C. Avoid freeze/thaw cycles.                                                                                         |

### IMAGES

#### IHC (Immunohistochemistry)

PAPD5 Antibody-Human Liver: Formalin-Fixed, Paraffin-Embedded (FFPE). This image was taken for the unconjugated form of this product. Other forms have not been tested.

#### WB (Western Blot)

PAPD5 Antibody-PAPD5 antibody Western Blot of MCF7. Antibody dilution: 1 ug/ml. This image was taken for the unconjugated form of this product. Other forms have not been tested.

### ADDITIONAL INFORMATION

|                                                     |                                                                                                                                                                                                                                        |
|-----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Related Product Information for anti-PAPD5 antibody | PAPD5 antibody is an unconjugated rabbit polyclonal antibody to PAPD5 (aa649-698) from human. It is reactive with human, bovine, guinea pig and other species. Validated for IHC and WB. Tested on 20 paraffin-embedded human tissues. |
