### PRODUCT SYNONYMS

EBI3/IL-27B; Polyclonal Antibody; EBI3/IL-27B Rabbit anti-Human Polyclonal Antibody; PathPlus EBI3/IL-27B Antibody; EBI3; Epstein-Barr virus induced 3; IL-27 subunit beta; IL27 subunit; IL27B; Interleukin-27 subunit beta; IL-27B; Cytokine receptor; EBV-induced gene 3 protein; IL35 subunit; anti-EBI3 antibody

### PRODUCT SPECIFICATIONS

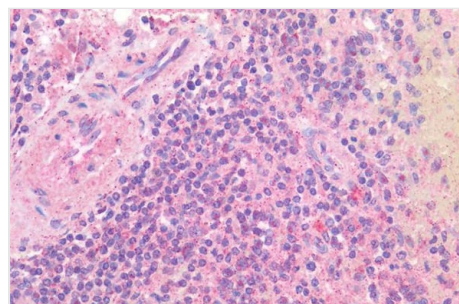

|                                                |                                                                                                                                                           |
|------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                                                    |
| Reactivity                                     | Human                                                                                                                                                     |
| Clonality                                      | Polyclonal                                                                                                                                                |
| Purity/Purification                            | Immunoaffinity purified                                                                                                                                   |
| Form/Format                                    | PBS, 0.1% Sodium Azide                                                                                                                                    |
| Concentration                                  | 1mg/ml (varies by lot)                                                                                                                                    |
| Applicable Applications for anti-EBI3 antibody | IHC (Immunohistochemistry)                                                                                                                                |
| Target                                         | Human EBI3/IL-27B                                                                                                                                         |
| Immunogen                                      | LP-11280, synthetic peptide                                                                                                                               |
| Conjugation                                    | Unconjugated                                                                                                                                              |
| Preparation and Storage                        | Aliquot and store undiluted at -20 degree C or below for up to 1 year. Can be stored undiluted at 4 degree C for up to 1 month. Avoid freeze-thaw cycles. |
