### PRODUCT SYNONYMS

MSLN/Mesothelin; Polyclonal Antibody; MSLN/Mesothelin Rabbit anti-Human Polyclonal Antibody; IHC-plus MSLN/Mesothelin Antibody; MSLN; CAK1 antigen; MPF; SMRP; Mesothelin; CAK1; anti-MSLN antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                                                           |
|------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                                                    |
| Reactivity                                     | Human                                                                                                                                                     |
| Clonality                                      | Polyclonal                                                                                                                                                |
| Purity/Purification                            | Immunoaffinity purified                                                                                                                                   |
| Form/Format                                    | PBS, 0.1% Sodium Azide                                                                                                                                    |
| Concentration                                  | 1mg/ml (varies by lot)                                                                                                                                    |
| Applicable Applications for anti-MSLN antibody | IHC (Immunohistochemistry)                                                                                                                                |
| Target                                         | Human MSLN/Mesothelin                                                                                                                                     |
| Immunogen                                      | LP-12009, synthetic peptide                                                                                                                               |
| Conjugation                                    | Unconjugated                                                                                                                                              |
| Preparation and Storage                        | Aliquot and store undiluted at -20 degree C or below for up to 1 year. Can be stored undiluted at 4 degree C for up to 1 month. Avoid freeze-thaw cycles. |
