

Human CA724 (Tumor Marker CA724) CLIA Kit | CA724 clia kit

Human CA724 (Tumor Marker CA724) CLIA Kit

CATALOG #
AAA170952

REACTIVITY
Human

PRODUCT SYNONYMS

CA724 (Tumor Marker CA724); Human CA724 (Tumor Marker CA724) CLIA Kit; CA 72-4; Cancer Antigen 72-4; Carbohydrate Antigen 72-4; CA724 clia kit

PRODUCT SPECIFICATIONS

Reactivity	Human
Specificity	This kit recognizes natural and recombinant CA724. No significant cross-reactivity or interference between CA724 and analogues was observed.
Assay Type	Sandwich
Detection Range	62.5-4000pg/mL
Sensitivity	Min: 37.5pg/mL; Max: 4000pg/mL

ADDITIONAL INFORMATION

Related Product Information for CA724 clia kit

Intended Uses: This CLIA kit applies to the in vitro quantitative determination of CA724 concentrations in serum, plasma and other biological fluids.

Principle of the Assay: This kit uses Sandwich-CLIA as the method. The micro CLIA plate provided in this kit has been pre-coated with an antibody specific to CA724. Standards or samples are added to the appropriate micro CLIA plate wells and combined with the specific antibody. Then a biotinylated detection antibody specific for CA724 and Avidin-Horseradish Peroxidase (HRP) conjugate is added to each micro plate well successively and incubated. Free components are washed away. The substrate solution is added to each well. Only those wells that contain CA724, biotinylated detection antibody and Avidin-HRP conjugate will appear fluorescence. The Relative light unit (RLU) value is measured spectrophotometrically by the Chemiluminescence immunoassay analyzer. The RLU value is positively associated with the concentration of CA724. You can calculate the concentration of CA724 in the samples by comparing the RLU value of the samples to the standard curve.

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
