

# Rabbit anti-Human SIRP-alpha1/beta1 Polyclonal Antibody | anti-SIRP-alpha1/beta1 antibody

SIRP-alpha1/beta1 Polyclonal Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS        |
|-----------|--------|------------|---------------------|
| AAA171695 | Rabbit | Human      | ELISA, Western Blot |

## PRODUCT SYNONYMS

SIRP-alpha1/beta1; Polyclonal Antibody; SIRP-alpha1/beta1 Polyclonal Antibody; SIRPA; BIT; MFR; MYD1; PTPNS1; SHPS1; SIRP; Tyrosine-protein phosphatase non-receptor type substrate 1; SHP substrate 1; SHPS-1; Brain Ig-like molecule with tyrosine-based activation motifs; Bit; CD172 antigen-like family member A; Inhibitory receptor SHPS-1; Macrophage fusion receptor; MyD-1 antigen; Signal-regulatory protein alpha-1; Sirp-alpha-1; Signal-regulatory protein alpha-2; Sirp-alpha-2; Signal-regulatory protein alpha-3; Sirp-alpha-3; p84; CD172a; SIRPB1; Signal-regulatory protein beta-1 isoform 3; SIRP-beta-1 isoform 3; anti-SIRP-alpha1/beta1 antibody

## PRODUCT SPECIFICATIONS

|                                                             |                                                                                  |
|-------------------------------------------------------------|----------------------------------------------------------------------------------|
| Host                                                        | Rabbit                                                                           |
| Reactivity                                                  | Human                                                                            |
| Clonality                                                   | Polyclonal                                                                       |
| Isotype                                                     | IgG                                                                              |
| Purity/Purification                                         | Antigen Affinity Purified                                                        |
| Concentration                                               | 1 mg/ml (varies by lot)                                                          |
| Applicable Applications for anti-SIRP-alpha1/beta1 antibody | ELISA, WB (Western Blot)                                                         |
| Immunogen                                                   | Synthesized peptide derived from the Internal region of human SIRP-alpha1/beta1. |
| Buffer                                                      | PBS, pH 7.4, containing 0.02% sodium azide as Preservative and 50% Glycerol.     |
| Preparation and Storage                                     | Store at -20 degree C. Avoid freeze / thaw cycles.                               |

## IMAGES

**IHC (Immunohistochemistry)**  
Immunohistochemistry of paraffin-embedded Human brain tissue using SIRP-?1/?1 Polyclonal Antibody at dilution of 1:200.

**WB (Western Blot)**  
Western Blot analysis of HeLa cells with SIRP-?1/?1 Polyclonal Antibody.

## NCBI AND UNIPROT INFORMATION

|                  |                 |
|------------------|-----------------|
| Molecular Weight | Observed MW: 55 |
|------------------|-----------------|

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
