

## Rabbit CDCP1 Polyclonal Antibody | anti-CDCP1 antibody

CDCP1 Polyclonal Antibody

|                               |                       |                                        |                                            |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA171936</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|

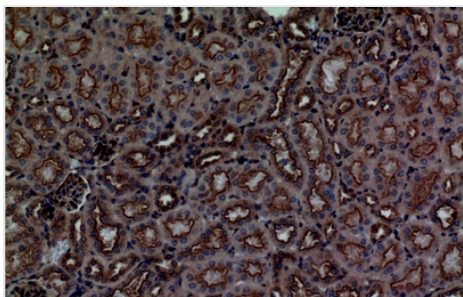

### PRODUCT SYNONYMS

CDCP1; Polyclonal Antibody; CDCP1 Polyclonal Antibody; TRASK; CUB domain-containing protein 1; Membrane glycoprotein gp140; Subtractive immunization M plus HEp3-associated 135 kDa protein; SIMA135; Transmembrane and associated with src kinases; CD318; anti-CDCP1 antibody

### PRODUCT SPECIFICATIONS

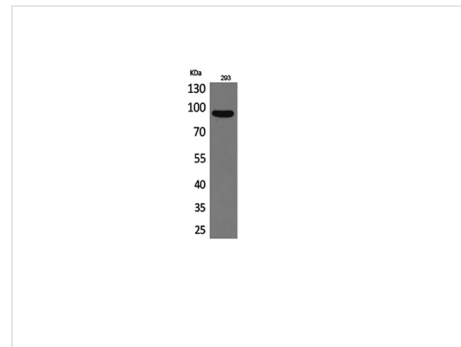

|                                                 |                                                                                                                 |
|-------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                                                          |
| Reactivity                                      | Human, Mouse, Rat                                                                                               |
| Clonality                                       | Polyclonal                                                                                                      |
| Isotype                                         | IgG                                                                                                             |
| Purity/Purification                             | Antigen Affinity Purified                                                                                       |
| Concentration                                   | 1 mg/ml (varies by lot)                                                                                         |
| Applicable Applications for anti-CDCP1 antibody | ELISA, WB (Western Blot)                                                                                        |
| Immunogen                                       | Synthesized peptide derived from the Internal region of human CDCP1.                                            |
| Buffer                                          | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                         |
| Santa Cruz Alternative                          | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-32846 / sc-32844 / sc-32845 / sc-292398 |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze / thaw cycles.                                                              |

### IMAGES

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded Mouse kidney tissue using CDCP1 Polyclonal Antibody at dilution of 1:100.

**WB (Western Blot)**

Western Blot analysis of 293T cells with CDCP1 Polyclonal Antibody.

### ADDITIONAL INFORMATION

|                                                   |                                 |
