### PRODUCT SYNONYMS

ST5; Polyclonal Antibody; ST5 Polyclonal Antibody; DENND2B; HTS1; Suppression of tumorigenicity 5 protein; DENN domain-containing protein 2B; HeLa tumor suppression 1; anti-ST5 antibody

### PRODUCT SPECIFICATIONS

|                                               |                                                                         |
|-----------------------------------------------|-------------------------------------------------------------------------|
| Host                                          | Rabbit                                                                  |
| Reactivity                                    | Human, Mouse                                                            |
| Clonality                                     | Polyclonal                                                              |
| Isotype                                       | IgG                                                                     |
| Purity/Purification                           | Antigen Affinity Purified                                               |
| Concentration                                 | 1 mg/ml (varies by lot)                                                 |
| Sequence Length                               | 3                                                                       |
| Applicable Applications for anti-ST5 antibody | ELISA, WB (Western Blot)                                                |
| Immunogen                                     | Synthesized peptide derived from the Internal region of human ST5.      |
| Buffer                                        | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Preparation and Storage                       | Store at -20 degree C. Avoid freeze / thaw cycles.                      |
