

## Rabbit anti-Human, Mouse API5 Polyclonal Antibody | anti-API5 antibody

API5 Polyclonal Antibody

| CATALOG # | HOST   | REACTIVITY   | APPLICATIONS                              |
|-----------|--------|--------------|-------------------------------------------|
| AAA172017 | Rabbit | Human, Mouse | ELISA, Immunohistochemistry, Western Blot |

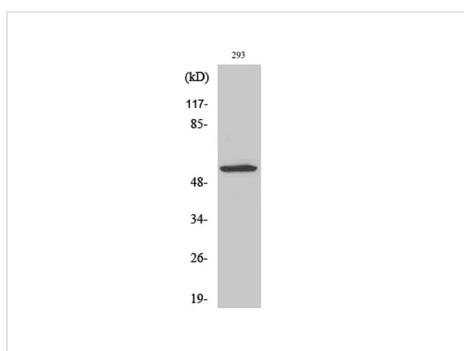

### PRODUCT SYNONYMS

API5; Polyclonal Antibody; API5 Polyclonal Antibody; MIG8; Apoptosis inhibitor 5; API-5; Antiapoptosis clone 11 protein; AAC-11; Cell migration-inducing gene 8 protein; Fibroblast growth factor 2-interacting factor; FIF; Protein XAGL; anti-API5 antibody

### PRODUCT SPECIFICATIONS

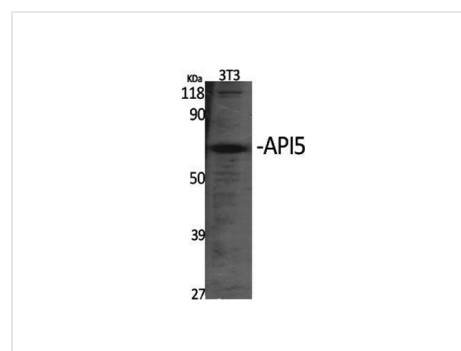

|                                                |                                                                                            |
|------------------------------------------------|--------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                     |
| Reactivity                                     | Human, Mouse                                                                               |
| Clonality                                      | Polyclonal                                                                                 |
| Isotype                                        | IgG                                                                                        |
| Purity/Purification                            | Antigen Affinity Purified                                                                  |
| Concentration                                  | 1 mg/ml (varies by lot)                                                                    |
| Applicable Applications for anti-API5 antibody | ELISA, IHC (Immunohistochemistry), WB (Western Blot)                                       |
| Immunogen                                      | Synthesized peptide derived from the C-terminal region of human API5.                      |
| Buffer                                         | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                    |
| Santa Cruz Alternative                         | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-167094 / sc-167096 |
| Preparation and Storage                        | Store at -20 degree C. Avoid freeze / thaw cycles.                                         |
