

## Rabbit FGF-9 Polyclonal Antibody | anti-FGF-9 antibody

FGF-9 Polyclonal Antibody

|                               |                       |                                        |                                            |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA172146</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------|

### PRODUCT SYNONYMS

FGF-9; Polyclonal Antibody; FGF-9 Polyclonal Antibody; FGF9; Fibroblast growth factor 9; Glia-activating factor; GAF; Heparin-binding growth factor 9; HBGF-9; anti-FGF-9 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                         |
|-------------------------------------------------|-------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                  |
| Reactivity                                      | Human, Mouse, Rat                                                       |
| Clonality                                       | Polyclonal                                                              |
| Isotype                                         | IgG                                                                     |
| Purity/Purification                             | Antigen Affinity Purified                                               |
| Concentration                                   | 1 mg/ml (varies by lot)                                                 |
| Applicable Applications for anti-FGF-9 antibody | ELISA, WB (Western Blot)                                                |
| Immunogen                                       | Synthesized peptide derived from the C-terminal region of human FGF-9.  |
| Buffer                                          | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze / thaw cycles.                      |

### IMAGES

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded Rat brain tissue using FGF-9 Polyclonal Antibody at dilution of 1:100.

**WB (Western Blot)**

Western Blot analysis of SW480 cells with FGF-9 Polyclonal Antibody.

### NCBI AND UNIPROT INFORMATION

|                  |             |
|------------------|-------------|
| NCBI GI #        | 4503707     |
| NCBI GeneID      | 2254        |
| NCBI Accession # | NP_002001.1 |

|                                  |                                      |
|----------------------------------|--------------------------------------|
| NCBI GenBank Nucleotide #        | <a href="#">NM_002010.2</a>          |
| Molecular Weight                 | Calculated MW: 23<br>Observed MW: 23 |
| NCBI Official Full Name          | fibroblast growth factor 9           |
| NCBI Official Synonym Full Names | fibroblast growth factor 9           |
| NCBI Official Symbol             | FGF9                                 |
| NCBI Official Synonym Symbols    | GAF; FGF-9; SYNS3; HBFG-9; HBGF-9    |
| NCBI Protein Information         | fibroblast growth factor 9           |
| UniProt Protein Name             | Fibroblast growth factor 9           |
| UniProt Gene Name                | <b>FGF9</b>                          |
| UniProt Synonym Gene Names       | FGF-9; GAF; HBGF-9                   |
| UniProt Entry Name               | FGF9_HUMAN                           |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
