| Clonality                                       | Polyclonal                                                              |
| Isotype                                         | IgG                                                                     |
| Purity/Purification                             | Antigen Affinity Purified                                               |
| Concentration                                   | 1 mg/ml (varies by lot)                                                 |
| Applicable Applications for anti-ADAR2 antibody | ELISA, IHC (Immunohistochemistry), WB (Western Blot)                    |
| Immunogen                                       | Synthesized peptide derived from the Internal region of human ADAR2.    |
| Buffer                                          | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze / thaw cycles.                      |
