

## Rabbit ARID3A Polyclonal Antibody | anti-ARID3A antibody

ARID3A Polyclonal Antibody

|                               |                       |                                        |                                                           |
|-------------------------------|-----------------------|----------------------------------------|-----------------------------------------------------------|
| CATALOG #<br><b>AAA172750</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>Immunohistochemistry, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|-----------------------------------------------------------|

### PRODUCT SYNONYMS

ARID3A; Polyclonal Antibody; ARID3A Polyclonal Antibody; DRIL1; DRIL3; BRIGHT; E2FBP1; anti-ARID3A antibody

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                                  |
|--------------------------------------------------|--------------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                           |
| Reactivity                                       | Human, Mouse, Rat                                                                                |
| Clonality                                        | Polyclonal                                                                                       |
| Isotype                                          | IgG                                                                                              |
| Purity/Purification                              | Antigen Affinity Purification                                                                    |
| Sequence Length                                  | 593                                                                                              |
| Applicable Applications for anti-ARID3A antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                    |
| Immunogen                                        | Recombinant protein of human ARID3A                                                              |
| Buffer                                           | PBS with 0.02% sodium azide, 50% glycerol, pH7.3                                                 |
| Santa Cruz Alternative                           | Potential replacement for Santa Cruz Biotechnology antibody catalog# sc-8822 / sc-8821 / sc-8823 |
| Preparation and Storage                          | Store at -20 degree C. Avoid freeze/thaw cycles.                                                 |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded human oophoroma using ARID3A antibody at dilution of 1:100 (x40 lens).

#### WB (Western Blot)

Western blot analysis of extracts of various cells, using ARID3A antibody.
