

## Rabbit Ubiquitin C Polyclonal Antibody | anti-ubc antibody

Ubiquitin C Polyclonal Antibody

|                               |                       |                                        |                                                                                |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------------------------------------------|
| CATALOG #<br><b>AAA172779</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>Immunocytochemistry, Immunohistochemistry, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|--------------------------------------------------------------------------------|

### PRODUCT SYNONYMS

Ubiquitin C; Polyclonal Antibody; Ubiquitin C Polyclonal Antibody; UBC; HMG20; Ubiquitin; anti-ubc antibody

### PRODUCT SPECIFICATIONS

|                                               |                                                                          |
|-----------------------------------------------|--------------------------------------------------------------------------|
| Host                                          | Rabbit                                                                   |
| Reactivity                                    | Human, Mouse, Rat                                                        |
| Clonality                                     | Polyclonal                                                               |
| Isotype                                       | IgG                                                                      |
| Purity/Purification                           | Antigen Affinity Purification                                            |
| Sequence Length                               | 609                                                                      |
| Applicable Applications for anti-ubc antibody | ICC (Immunocytochemistry), IHC (Immunohistochemistry), WB (Western Blot) |
| Immunogen                                     | A synthetic peptide of human Ubiquitin C                                 |
| Buffer                                        | PBS with 0.02% sodium azide, 50% glycerol, pH7.3                         |
| Preparation and Storage                       | Store at -20 degree C. Avoid freeze/thaw cycles.                         |

### IMAGES

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded human liver using UBC antibody at dilution of 1:100 (40x lens).

**WB (Western Blot)**

Western blot analysis of extracts of HepG2 and HeLa cell line, using Ubiquitin C antibody.

### NCBI AND UNIPROT INFORMATION

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI GI #                        | <a href="#">55742507</a>       |
| NCBI GeneID                      | <a href="#">448120</a>         |
| NCBI GenBank Nucleotide #        | <a href="#">NM_001006687.1</a> |
| Molecular Weight                 | 8kDa                           |
| NCBI Official Full Name          | ubiquitin C                    |
| NCBI Official Synonym Full Names | ubiquitin C                    |
| NCBI Official Symbol             | ubc                            |
| NCBI Official Synonym Symbols    | hmg20; ubi-p63e                |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
