

## Rabbit anti-Human, Mouse ZC2HC1A Polyclonal Antibody | anti-ZC2HC1A antibody

ZC2HC1A Polyclonal Antibody

|                               |                       |                                   |                                                    |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|
| CATALOG #<br><b>AAA174811</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse</b> | APPLICATIONS<br><b>ELISA, Immunohistochemistry</b> |
|-------------------------------|-----------------------|-----------------------------------|----------------------------------------------------|

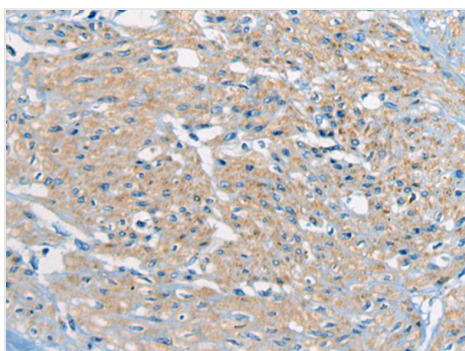

### PRODUCT SYNONYMS

ZC2HC1A; Polyclonal Antibody; ZC2HC1A Polyclonal Antibody; C8orf70; CGI-62; Chromosome 8 open reading frame 70; F164A; Fam164a; Family with sequence similarity 164; member A; Hypothetical protein C8orf70; Hypothetical protein LOC51101; Protein FAM164A; Zinc finger C2HC domain-containing protein 1A; Zinc finger; C2HC-type containing 1A; anti-ZC2HC1A antibody

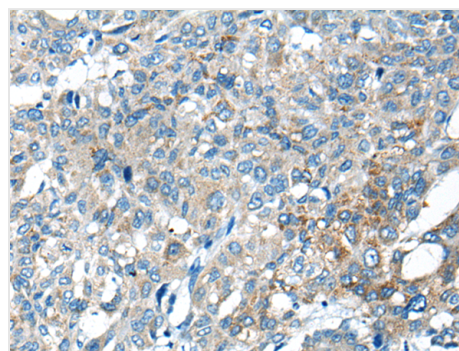

### PRODUCT SPECIFICATIONS

|                                                   |                                                         |
|---------------------------------------------------|---------------------------------------------------------|
| Host                                              | Rabbit                                                  |
| Reactivity                                        | Human, Mouse                                            |
| Clonality                                         | Polyclonal                                              |
| Isotype                                           | IgG                                                     |
| Purity/Purification                               | Antigen Affinity Purification                           |
| Form/Format                                       | PBS with 0.05% NaN <sub>3</sub> and 40% Glycerol, pH7.4 |
| Concentration                                     | 0.6mg/mL (varies by lot)                                |
| Sequence Length                                   | 325                                                     |
| Applicable Applications for anti-ZC2HC1A antibody | ELISA, IHC (Immunohistochemistry)                       |
| Immunogen                                         | Synthetic peptide of human ZC2HC1A                      |
| Conjugation                                       | Unconjugated                                            |
| Preparation and Storage                           | Store at -20 degree C. Avoid freeze/thaw cycles.        |
