

Sheep Anti-Mullerian Hormone (AMH) ELISA Kit | AMH elisa kit

Sheep Anti-Mullerian Hormone (AMH) ELISA Kit

CATALOG #
AAA18999

REACTIVITY
Sheep

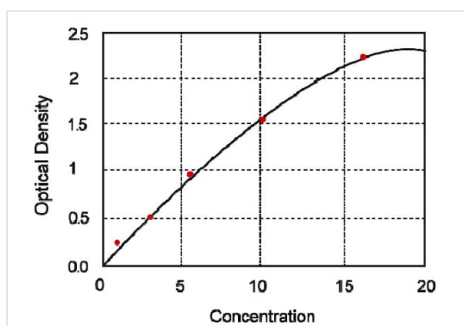

PRODUCT SYNONYMS

Anti-Mullerian Hormone (AMH); Sheep Anti-Mullerian Hormone (AMH) ELISA Kit; AMH elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Sheep
Sequence Length	134
Assay Type	Quantitative Sandwich
Samples	Serum, plasma, cell culture supernates, Ascites, tissue homogenates or other biological fluids
Detection Range	0.05-15ng/ml
Sensitivity	0.02ng/ml
Intra-assay Precision	Intra-Assay Precision (Precision within an assay) Three samples of known concentration were tested on one plate to assess intra-assay precision. Intra-Assay: CV<8%
Inter-assay Precision	Inter-Assay Precision (Precision between assays) Three samples of known concentration were tested in separate assays to assess inter-assay precision. CV(%) = SD/mean x 100. Inter-Assay: CV<10%
Preparation and Storage	Store at 2 to 8 degree C for 6 months.

ADDITIONAL INFORMATION

Related Product Information for AMH elisa kit

Principle of the Assay: This kit is an Enzyme-Linked Immunosorbent Assay (ELISA). The plate has been pre-coated with Sheep AMH antibody. AMH present in the sample is added and binds to antibodies coated on the wells. And then biotinylated Sheep AMH Antibody is added and binds to AMH in the sample. Then Streptavidin-HRP is added and binds to the Biotinylated AMH antibody. After incubation unbound Streptavidin-HRP is washed away during a washing step. Substrate solution is then added and color develops in proportion to the amount of Sheep AMH. The reaction is terminated by addition of acidic stop solution and absorbance is measured at 450 nm.

Intended Uses: This sandwich kit is for the accurate quantitative detection of Sheep Anti-Mullerian Hormone (also known as AMH) in serum, plasma, cell culture supernates, Ascites, tissue homogenates or other biological fluids.

NCBI AND UNIPROT INFORMATION

NCBI GI #	952977743
Molecular Weight	14,245 Da
NCBI Official Full Name	AMH, partial
UniProt Protein Name	AMH
UniProt Gene Name	AMH

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
