

## Mouse Gastrotropin ELISA Kit | Fabp6 elisa kit

Mouse Gastrotropin ELISA Kit

CATALOG #  
**AAA190558**

REACTIVITY  
**Mouse**

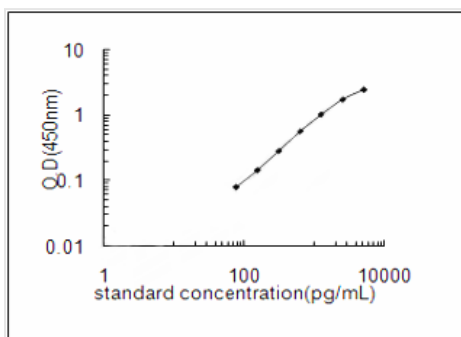

### PRODUCT SYNONYMS

Gastrotropin; Mouse Gastrotropin ELISA Kit; GT; Fatty acid-binding protein 6; Ileal lipid-binding protein; ILBP; Fabp6; Illbp; Fabp6 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 128                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 78-5000 pg/mL                                                       |
| Sensitivity             | 39.4 pg/mL                                                          |
| Intra-Assay CV          | <=5.5%                                                              |
| Inter-Assay CV          | <=10.2%                                                             |
| Recovery                | 99%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 6680441        |
| NCBI GeneID               | 16204          |
| NCBI Accession #          | NP_032401.1    |
| NCBI GenBank Nucleotide # | NM_008375.2    |
| UniProt Accession #       | P51162; Q5SRT9 |
| Molecular Weight          | 14,486 Da      |

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| NCBI Official Full Name          | gastrotropin                                       |
| NCBI Official Synonym Full Names | fatty acid binding protein 6, ileal (gastrotropin) |
| NCBI Official Symbol             | Fabp6                                              |
| NCBI Official Synonym Symbols    | GT; ILBP; I-15P; ILBP3; Illbp; I-BABP              |
| NCBI Protein Information         | gastrotropin                                       |
| UniProt Protein Name             | Gastrotropin                                       |
| UniProt Gene Name                | <b>Fabp6</b>                                       |
| UniProt Synonym Gene Names       | Illbp; GT; ILBP                                    |
| UniProt Entry Name               | FABP6_MOUSE                                        |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
