

## Human Vascular endothelial growth factor D ELISA Kit | FIGF elisa kit

Human Vascular endothelial growth factor D ELISA Kit

CATALOG #  
**AAA190609**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Vascular endothelial growth factor D; Human Vascular endothelial growth factor D ELISA Kit; VEGF-D; c-Fos-induced growth factor; FIGF; VEGFD; FIGF elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 354                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 78-5000 pg/mL                                                       |
| Sensitivity             | 32pg/mL                                                             |
| Intra-Assay CV          | <=4.8%                                                              |
| Inter-Assay CV          | <=9.2%                                                              |
| Recovery                | 96%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 4758378        |
| NCBI GeneID               | 2277           |
| NCBI Accession #          | NP_004460.1    |
| NCBI GenBank Nucleotide # | NM_004469.4    |
| UniProt Accession #       | O43915; B2R7Z3 |
| Molecular Weight          | 40,444 Da      |

|                                  |                                                                    |
|----------------------------------|--------------------------------------------------------------------|
| NCBI Official Full Name          | vascular endothelial growth factor D preproprotein                 |
| NCBI Official Synonym Full Names | c-fos induced growth factor (vascular endothelial growth factor D) |
| NCBI Official Symbol             | FIGF                                                               |
| NCBI Official Synonym Symbols    | VEGFD; VEGF-D                                                      |
| NCBI Protein Information         | vascular endothelial growth factor D                               |
| UniProt Protein Name             | Vascular endothelial growth factor D                               |
| UniProt Gene Name                | <b>FIGF</b>                                                        |
| UniProt Synonym Gene Names       | VEGFD; VEGF-D; FIGF                                                |
| UniProt Entry Name               | VEGFD_HUMAN                                                        |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
