

## Mouse Teratocarcinoma-derived growth factor ELISA Kit | Tdgf1 elisa kit

Mouse Teratocarcinoma-derived growth factor ELISA Kit

|                               |                            |
|-------------------------------|----------------------------|
| CATALOG #<br><b>AAA191318</b> | REACTIVITY<br><b>Mouse</b> |
|-------------------------------|----------------------------|

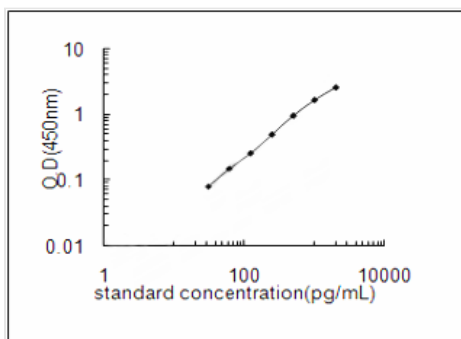

### PRODUCT SYNONYMS

Teratocarcinoma-derived growth factor; Mouse Teratocarcinoma-derived growth factor ELISA Kit; Cripto growth factor; Epidermal growth factor-like Cripto protein; Tdgf1; Cripto; Tdgf1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 171                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 31.2-2000 pg/mL                                                     |
| Sensitivity             | 15.64 pg/mL                                                         |
| Intra-Assay CV          | <=6.2%                                                              |
| Inter-Assay CV          | <=8.4%                                                              |
| Recovery                | 115%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                         |                                       |
|-------------------------|---------------------------------------|
| NCBI GI #               | 1706128                               |
| UniProt Accession #     | P51865                                |
| Molecular Weight        | 18,754 Da                             |
| NCBI Official Full Name | Teratocarcinoma-derived growth factor |
| UniProt Protein Name    | Teratocarcinoma-derived growth factor |
| UniProt Gene Name       | <b>Tdgf1</b>                          |

|                            |             |
|----------------------------|-------------|
| UniProt Synonym Gene Names | Cripto      |
| UniProt Entry Name         | TDGF1_MOUSE |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
