

## Human 60S ribosomal protein L13 ELISA Kit | RPL13 elisa kit

Human 60S ribosomal protein L13 ELISA Kit

CATALOG #  
**AAA192124**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

60S ribosomal protein L13; Human 60S ribosomal protein L13 ELISA Kit; Breast basic conserved protein 1; RPL13; BBC1; OK/SW-cl.46; RPL13 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 211                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.625-40 ng/mL                                                      |
| Sensitivity             | 0.1ng/mL                                                            |
| Intra-Assay CV          | <=4.9%                                                              |
| Inter-Assay CV          | <=8.5%                                                              |
| Recovery                | 104%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

| Molecular Weight           | 18,845 Da                                                                                                                                           |
| NCBI Official Full Name    | 60S ribosomal protein L13 isoform 1                                                                                                                 |
| UniProt Protein Name       | 60S ribosomal protein L13                                                                                                                           |
| UniProt Gene Name          | <b>RPL13</b>                                                                                                                                        |
| UniProt Synonym Gene Names | BBC1                                                                                                                                                |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
