

## Mouse Integrin-linked protein kinase ELISA Kit | Ilk elisa kit

Mouse Integrin-linked protein kinase ELISA Kit

CATALOG #  
**AAA192206**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Integrin-linked protein kinase; Mouse Integrin-linked protein kinase ELISA Kit; Ilk; 2.7.11.1; Ilk elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 452                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.625-40 ng/mL                                                      |
| Sensitivity             | 0.312 ng/mL                                                         |
| Intra-Assay CV          | <=8.3%                                                              |
| Inter-Assay CV          | <=10.4%                                                             |
| Recovery                | 91%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 240255653      |
| NCBI GeneID               | 16202          |
| NCBI Accession #          | NP_001155196.1 |
| NCBI GenBank Nucleotide # | NM_001161724.1 |
| UniProt Accession #       | O55222; Q78KK2 |
| Molecular Weight          | 51,373 Da      |

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI Official Full Name          | integrin-linked protein kinase |
| NCBI Official Synonym Full Names | integrin linked kinase         |
| NCBI Official Symbol             | Ilk                            |
| NCBI Official Synonym Symbols    | ESTM24; AA511515               |
| NCBI Protein Information         | integrin-linked protein kinase |
| UniProt Protein Name             | Integrin-linked protein kinase |
| UniProt Gene Name                | <b>Ilk</b>                     |
| UniProt Entry Name               | ILK_MOUSE                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
