

## Bovine Troponin T ELISA Kit | TNNT1 elisa kit

Bovine Troponin T, slow skeletal muscle ELISA Kit

CATALOG #  
**AAA192296**

REACTIVITY  
**Bovine**

### PRODUCT SYNONYMS

Troponin T; Bovine Troponin T; slow skeletal muscle ELISA Kit; slow skeletal muscle; TnTs; Slow skeletal muscle troponin T; sTnT; TNNT1; TNNT1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Bovine                                                              |
| Sequence Length         | 263                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                            |                                  |
|----------------------------|----------------------------------|
| NCBI GI #                  | 41386697                         |
| NCBI GeneID                | 282095                           |
| NCBI Accession #           | NP_776899.1                      |
| NCBI GenBank Nucleotide #  | NM_174474.1                      |
| UniProt Accession #        | Q8MKH6; Q148J9; Q8MKH5           |
| Molecular Weight           | 30,166 Da                        |
| NCBI Official Full Name    | troponin T, slow skeletal muscle |
| NCBI Official Symbol       | TNNT1                            |
| NCBI Protein Information   | troponin T, slow skeletal muscle |
| UniProt Protein Name       | Troponin T, slow skeletal muscle |
| UniProt Gene Name          | <b>TNNT1</b>                     |
| UniProt Synonym Gene Names | TnTs; sTnT                       |
| UniProt Entry Name         | TNNT1_BOVIN                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
