

## Mouse Mdm2-binding protein ELISA Kit | Mtbp elisa kit

Mouse Mdm2-binding protein ELISA Kit

CATALOG #  
**AAA192335**

REACTIVITY  
**Mouse**

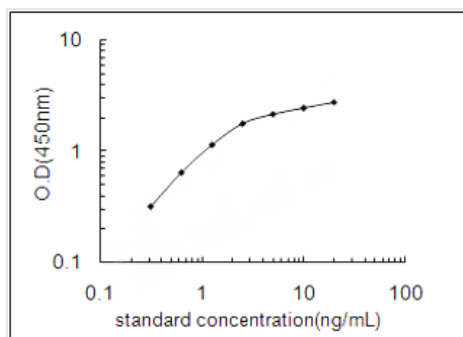

### PRODUCT SYNONYMS

Mdm2-binding protein; Mouse Mdm2-binding protein ELISA Kit; mMTBP; Mtbp; Mtbp elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 629                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.312-20 ng/mL                                                      |
| Sensitivity             | 0.16 ng/mL                                                          |
| Intra-Assay CV          | <=6.9%                                                              |
| Inter-Assay CV          | <=8.7%                                                              |
| Recovery                | 88%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                                |
|---------------------------|------------------------------------------------|
| NCBI GI #                 | 269914093                                      |
| NCBI GeneID               | 105837                                         |
| NCBI Accession #          | NP_001161722.1                                 |
| NCBI GenBank Nucleotide # | NM_001168250.1                                 |
| UniProt Accession #       | Q8BJS8; Q80VU3; Q8BTU9; Q8BTW0; Q99K25; Q9ER61 |
| Molecular Weight          | 58,294 Da                                      |

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| NCBI Official Full Name          | mdm2-binding protein isoform 2                               |
| NCBI Official Synonym Full Names | Mdm2, transformed 3T3 cell double minute p53 binding protein |
| NCBI Official Symbol             | Mtbp                                                         |
| NCBI Official Synonym Symbols    | MDM2BP; AI429604                                             |
| NCBI Protein Information         | mdm2-binding protein                                         |
| UniProt Protein Name             | Mdm2-binding protein                                         |
| UniProt Gene Name                | <b>Mtbp</b>                                                  |
| UniProt Synonym Gene Names       | mMTBP                                                        |
| UniProt Entry Name               | MTBP_MOUSE                                                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
