

## Human Angiotensin-like protein 1 ELISA Kit | AMOTL1 elisa kit

Human Angiotensin-like protein 1 ELISA Kit

CATALOG #  
**AAA192980**

REACTIVITY  
**Human**

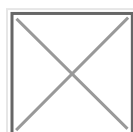

### PRODUCT SYNONYMS

Angiotensin-like protein 1; Human Angiotensin-like protein 1 ELISA Kit; AMOTL1; AMOTL1 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 906                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/mL                                                      |
| Sensitivity             | 0.078ng/mL                                                          |
| Intra-Assay CV          | <=4.2%                                                              |
| Inter-Assay CV          | <=7.8%                                                              |
| Recovery                | 100%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| NCBI GI #                        | 666335625                                      |
| NCBI GeneID                      | 154810                                         |
| NCBI Accession #                 | NP_001287936.1                                 |
| NCBI GenBank Nucleotide #        | NM_001301007.1                                 |
| UniProt Accession #              | Q8IY63; Q63HK7; Q8NDN0; Q8TEN8; Q8WXD1; Q96CM5 |
| Molecular Weight                 | 101,179 Da                                     |
| NCBI Official Full Name          | angiotensin-like protein 1 isoform 2           |
| NCBI Official Synonym Full Names | angiotensin like 1                             |
| NCBI Official Symbol             | AMOTL1                                         |
| NCBI Official Synonym Symbols    | JEAP                                           |

|                          |                           |
|--------------------------|---------------------------|
| NCBI Protein Information | angiomotin-like protein 1 |
| UniProt Protein Name     | Angiomotin-like protein 1 |
| UniProt Gene Name        | <b>AMOTL1</b>             |
| UniProt Entry Name       | AMOL1_HUMAN               |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
