

## Human Complement C1q subcomponent subunit C ELISA Kit | C1QC elisa kit

Human Complement C1q subcomponent subunit C ELISA Kit

CATALOG #  
**AAA193007**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Complement C1q subcomponent subunit C; Human Complement C1q subcomponent subunit C ELISA Kit; C1QC; C1QG; C1QC elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 245                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 78-5000 pg/mL                                                       |
| Sensitivity             | 33pg/mL                                                             |
| Intra-Assay CV          | <=5.2%                                                              |
| Inter-Assay CV          | <=9.4%                                                              |
| Recovery                | 95%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                |
|---------------------------|--------------------------------|
| NCBI GI #                 | 166235903                      |
| NCBI GeneID               | 714                            |
| NCBI Accession #          | NP_001107573.1                 |
| NCBI GenBank Nucleotide # | NM_001114101.1                 |
| UniProt Accession #       | P02747; Q7Z502; Q96DL2; Q96H05 |
| Molecular Weight          | 25,774 Da                      |

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| NCBI Official Full Name          | complement C1q subcomponent subunit C           |
| NCBI Official Synonym Full Names | complement component 1, q subcomponent, C chain |
| NCBI Official Symbol             | C1QC                                            |
| NCBI Official Synonym Symbols    | C1QG; C1Q-C                                     |
| NCBI Protein Information         | complement C1q subcomponent subunit C           |
| UniProt Protein Name             | Complement C1q subcomponent subunit C           |
| UniProt Gene Name                | <b>C1QC</b>                                     |
| UniProt Synonym Gene Names       | C1QG                                            |
| UniProt Entry Name               | C1QC_HUMAN                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
