| Reactivity              | Mouse                                                               |
| Sequence Length         | 394                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 1.56-100 ng/mL                                                      |
| Sensitivity             | 0.801 ng/mL                                                         |
| Intra-Assay CV          | <=6.9%                                                              |
| Inter-Assay CV          | <=9.5%                                                              |
| Recovery                | 94%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |
