

## Human Involucrin ELISA Kit | IVL elisa kit

Human Involucrin ELISA Kit

CATALOG #  
**AAA193406**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Involucrin; Human Involucrin ELISA Kit; IVL; IVL elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 585                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 1.25-80 ng/mL                                                       |
| Sensitivity             | 0.98ng/mL                                                           |
| Intra-Assay CV          | <=6.2%                                                              |
| Inter-Assay CV          | <=11.3%                                                             |
| Recovery                | 106%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 44890059       |
| NCBI GeneID               | 3713           |
| NCBI Accession #          | NP_005538.2    |
| NCBI GenBank Nucleotide # | NM_005547.2    |
| UniProt Accession #       | P07476; Q5T7P4 |
| Molecular Weight          | 68,479 Da      |

|                                  |            |
|----------------------------------|------------|
| NCBI Official Full Name          | involucrin |
| NCBI Official Synonym Full Names | involucrin |
| NCBI Official Symbol             | IVL        |
| NCBI Protein Information         | involucrin |
| UniProt Protein Name             | Involucrin |
| UniProt Gene Name                | <b>IVL</b> |
| UniProt Entry Name               | INVO_HUMAN |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
