

## Rat Transcription factor Maf ELISA Kit | Maf elisa kit

Rat Transcription factor Maf ELISA Kit

CATALOG #  
**AAA193506**

REACTIVITY  
**Rat**

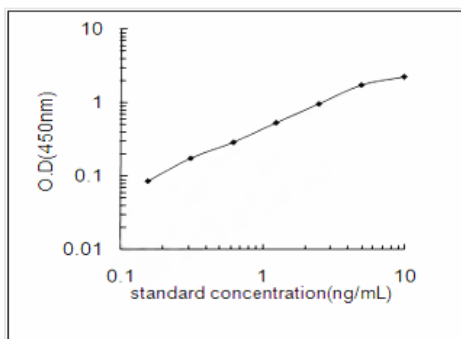

### PRODUCT SYNONYMS

Transcription factor Maf; Rat Transcription factor Maf ELISA Kit; Proto-oncogene c-Maf; Transcription factor Maf-2; V-maf musculoaponeurotic fibrosarcoma oncogene homolog; Maf; Maf2; Maf elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Rat                                                                 |
| Sequence Length         | 369                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/mL                                                      |
| Sensitivity             | 0.078 ng/mL                                                         |
| Intra-Assay CV          | <=4.6%                                                              |
| Inter-Assay CV          | <=8.4%                                                              |
| Recovery                | 95%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |             |
|---------------------------|-------------|
| NCBI GI #                 | 9506879     |
| NCBI GeneID               | 54267       |
| NCBI Accession #          | NP_062191.1 |
| NCBI GenBank Nucleotide # | NM_019318.1 |
| UniProt Accession #       | P54844      |
| Molecular Weight          | 38,457 Da   |

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| NCBI Official Full Name          | transcription factor Maf                                     |
| NCBI Official Synonym Full Names | v-maf avian musculoaponeurotic fibrosarcoma oncogene homolog |
| NCBI Official Symbol             | Maf                                                          |
| NCBI Official Synonym Symbols    | Maf2; cMaf                                                   |
| NCBI Protein Information         | transcription factor Maf                                     |
| UniProt Protein Name             | Transcription factor Maf                                     |
| UniProt Gene Name                | <b>Maf</b>                                                   |
| UniProt Synonym Gene Names       | Maf2                                                         |
| UniProt Entry Name               | MAF_RAT                                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
