

## Mouse Pituitary tumor-transforming gene 1 protein-interacting protein ELISA Kit | Pttg1ip elisa kit

Mouse Pituitary tumor-transforming gene 1 protein-interacting protein ELISA Kit

|                               |                            |
|-------------------------------|----------------------------|
| CATALOG #<br><b>AAA193952</b> | REACTIVITY<br><b>Mouse</b> |
|-------------------------------|----------------------------|

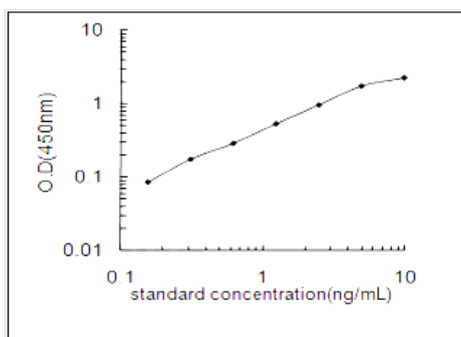

### PRODUCT SYNONYMS

Pituitary tumor-transforming gene 1 protein-interacting protein; Mouse Pituitary tumor-transforming gene 1 protein-interacting protein ELISA Kit; Pituitary tumor-transforming gene protein-binding factor; PBF; PTTG-binding factor; Pttg1ip; Pttg1ip elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 174                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/mL                                                      |
| Sensitivity             | 0.078 ng/mL                                                         |
| Intra-Assay CV          | <=4.2%                                                              |
| Inter-Assay CV          | <=5.9%                                                              |
| Recovery                | 89%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                |
|---------------------------|--------------------------------|
| NCBI GI #                 | 22122339                       |
| NCBI GeneID               | 108705                         |
| NCBI Accession #          | NP_666037.1                    |
| NCBI GenBank Nucleotide # | NM_145925.2                    |
| UniProt Accession #       | Q8R143; Q3TVT1; Q8BJ96; Q8N7P0 |

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| Molecular Weight                 | 19,965 Da                                                       |
| NCBI Official Full Name          | pituitary tumor-transforming gene 1 protein-interacting protein |
| NCBI Official Synonym Full Names | pituitary tumor-transforming 1 interacting protein              |
| NCBI Official Symbol             | Pttg1ip                                                         |
| NCBI Official Synonym Symbols    | C79540; AI314311; AU018448; 1810010L20Rik                       |
| NCBI Protein Information         | pituitary tumor-transforming gene 1 protein-interacting protein |
| UniProt Protein Name             | Pituitary tumor-transforming gene 1 protein-interacting protein |
| UniProt Gene Name                | <b>Pttg1ip</b>                                                  |
| UniProt Synonym Gene Names       | PBF; PTTG-binding factor                                        |
| UniProt Entry Name               | PTTG_MOUSE                                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
