

Pig Vitamin K-dependent protein C ELISA Kit | PROC elisa kit

Pig Vitamin K-dependent protein C ELISA Kit

CATALOG #
AAA194075

REACTIVITY
Pig

PRODUCT SYNONYMS

Vitamin K-dependent protein C; Pig Vitamin K-dependent protein C ELISA Kit; Anticoagulant protein C; Autoprothrombin IIA; Blood coagulation factor XIV; PROC; 3.4.21.69; PROC elisa kit

PRODUCT SPECIFICATIONS

Reactivity	Pig
Sequence Length	459
Samples	Serum, plasma, tissue homogenates, cell culture supernates or other biological fluids.
Preparation and Storage	For long term storage, please store the entire kit at -20 degree C.

ADDITIONAL INFORMATION

Related Product Information for PROC elisa kit

Intended Uses: This immunoassay kit allows for the in vitro quantitative determination of target antigen concentrations in serum, plasma, tissue homogenates, cell culture supernates or other biological fluids.

Principle of the Assay: The microtiter plate provided in this kit has been pre-coated with an antibody specific to target antigen. Standards or samples are then added to the appropriate microtiter plate wells with a biotin-conjugated antibody preparation specific for target antigen and then avidin conjugated to Horseradish Peroxidase (HRP) is added to each microplate well and incubated. Then a TMB substrate solution is added to each well. Only those wells that contain target antigen, biotin-conjugated antibody and enzyme-conjugated Avidin will exhibit a change in color. The enzyme-substrate reaction is terminated by the addition of a sulphuric acid solution and the color change is measured spectrophotometrically at a wavelength of 450 nm $\pm$ 2 nm. The concentration of target antigen in the samples is then determined by comparing the O.D. of the samples to the standard curve.

NCBI AND UNIPROT INFORMATION

NCBI GI #	47522652
NCBI GeneID	396954

NCBI Accession #	NP_999083.1
NCBI GenBank Nucleotide #	NM_213918.1
UniProt Accession #	Q9GLP2
Molecular Weight	51,867 Da
NCBI Official Full Name	vitamin K-dependent protein C
NCBI Official Symbol	PROC
NCBI Protein Information	vitamin K-dependent protein C
UniProt Protein Name	Vitamin K-dependent protein C
UniProt Gene Name	PROC
UniProt Entry Name	PROC_PIG

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
