

## Mouse Gastric inhibitory polypeptide ELISA Kit | Gip elisa kit

Mouse Gastric inhibitory polypeptide ELISA Kit

CATALOG #  
**AAA194180**

REACTIVITY  
**Mouse**

### PRODUCT SYNONYMS

Gastric inhibitory polypeptide; Mouse Gastric inhibitory polypeptide ELISA Kit; GIP; Glucose-dependent insulinitropic polypeptide; Gip; Gip elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 144                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/ml                                                      |
| Sensitivity             | 0.08 ng/mL                                                          |
| Intra-Assay CV          | <=6.8%                                                              |
| Inter-Assay CV          | <=8.9%                                                              |
| Recovery                | 93%                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                |
|---------------------------|----------------|
| NCBI GI #                 | 31982340       |
| NCBI GeneID               | 14607          |
| NCBI Accession #          | NP_032145.2    |
| NCBI GenBank Nucleotide # | NM_008119.2    |
| UniProt Accession #       | P48756; Q9D887 |
| Molecular Weight          | 16,389 Da      |

|                                  |                                              |
|----------------------------------|----------------------------------------------|
| NCBI Official Full Name          | gastric inhibitory polypeptide preproprotein |
| NCBI Official Synonym Full Names | gastric inhibitory polypeptide               |
| NCBI Official Symbol             | Gip                                          |
| NCBI Protein Information         | gastric inhibitory polypeptide               |
| UniProt Protein Name             | Gastric inhibitory polypeptide               |
| UniProt Gene Name                | <b>Gip</b>                                   |
| UniProt Synonym Gene Names       | GIP                                          |
| UniProt Entry Name               | GIP_MOUSE                                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
