

## Human Coagulation factor XI ELISA Kit | F11 elisa kit

Human Coagulation factor XI ELISA Kit

CATALOG #  
**AAA194842**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Coagulation factor XI; Human Coagulation factor XI ELISA Kit; FXI; Plasma thromboplastin antecedent; PTA; F11; 3.4.21.27; F11 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Human                                                               |
| Sequence Length         | 625                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.78-50 ng/mL                                                       |
| Sensitivity             | 0.22ng/mL                                                           |
| Intra-Assay CV          | <=4.2%                                                              |
| Inter-Assay CV          | <=9.6%                                                              |
| Recovery                | 100%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                                |
|---------------------------|--------------------------------|
| NCBI GI #                 | 4503627                        |
| NCBI GeneID               | 2160                           |
| NCBI Accession #          | NP_000119.1                    |
| NCBI GenBank Nucleotide # | NM_000128.3                    |
| UniProt Accession #       | P03951; Q4W5C2; Q9Y495; D3DP64 |
| Molecular Weight          | 63,840 Da                      |

|                                  |                                     |
|----------------------------------|-------------------------------------|
| NCBI Official Full Name          | coagulation factor XI preproprotein |
| NCBI Official Synonym Full Names | coagulation factor XI               |
| NCBI Official Symbol             | F11                                 |
| NCBI Official Synonym Symbols    | FXI                                 |
| NCBI Protein Information         | coagulation factor XI               |
| UniProt Protein Name             | Coagulation factor XI               |
| UniProt Gene Name                | <b>F11</b>                          |
| UniProt Synonym Gene Names       | FXI; PTA                            |
| UniProt Entry Name               | FA11_HUMAN                          |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
