

## Mouse Adipocyte plasma membrane-associated protein ELISA Kit | Apmap elisa kit

Mouse Adipocyte plasma membrane-associated protein ELISA Kit

CATALOG #  
**AAA194879**

REACTIVITY  
**Mouse**

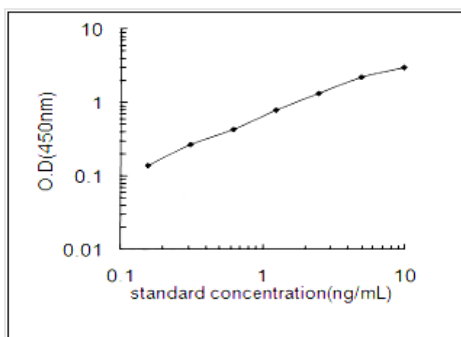

### PRODUCT SYNONYMS

Adipocyte plasma membrane-associated protein; Mouse Adipocyte plasma membrane-associated protein ELISA Kit; Protein DD16; Apmap; Apmap elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Mouse                                                               |
| Sequence Length         | 415                                                                 |
| Assay Type              | Sandwich                                                            |
| Detection Range         | 0.156-10 ng/mL                                                      |
| Sensitivity             | 0.078 ng/mL                                                         |
| Intra-Assay CV          | <=6.1%                                                              |
| Inter-Assay CV          | <=8.8%                                                              |
| Recovery                | 103%                                                                |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                           |                        |
|---------------------------|------------------------|
| NCBI GI #                 | 21313668               |
| NCBI GeneID               | 71881                  |
| NCBI Accession #          | NP_082253.1            |
| NCBI GenBank Nucleotide # | NM_027977.2            |
| UniProt Accession #       | Q9D7N9; Q3U4F4; A2AQX3 |
| Molecular Weight          | 46,434 Da              |

|                                  |                                              |
|----------------------------------|----------------------------------------------|
| NCBI Official Full Name          | adipocyte plasma membrane-associated protein |
| NCBI Official Synonym Full Names | adipocyte plasma membrane associated protein |
| NCBI Official Symbol             | Apmap                                        |
| NCBI Official Synonym Symbols    | AI314817; 2310001A20Rik                      |
| NCBI Protein Information         | adipocyte plasma membrane-associated protein |
| UniProt Protein Name             | Adipocyte plasma membrane-associated protein |
| UniProt Gene Name                | <b>Apmap</b>                                 |
| UniProt Entry Name               | APMAP_MOUSE                                  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
