

## Pig Growth hormone receptor ELISA Kit | GHR elisa kit

Pig Growth hormone receptor ELISA Kit

CATALOG #  
**AAA196003**

REACTIVITY  
**Pig**

### PRODUCT SYNONYMS

Growth hormone receptor; Pig Growth hormone receptor ELISA Kit; GH receptor; Somatotropin receptor; GHR; GHR elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Reactivity              | Pig                                                                 |
| Sequence Length         | 638                                                                 |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C. |

### NCBI AND UNIPROT INFORMATION

|                            |                                       |
|----------------------------|---------------------------------------|
| NCBI GI #                  | 121181                                |
| NCBI GeneID                | 397488                                |
| UniProt Accession #        | P19756                                |
| Molecular Weight           | 71,145 Da                             |
| NCBI Official Full Name    | Growth hormone receptor               |
| NCBI Official Symbol       | GHR                                   |
| NCBI Protein Information   | growth hormone receptor               |
| UniProt Protein Name       | Growth hormone receptor               |
| UniProt Gene Name          | <b>GHR</b>                            |
| UniProt Synonym Gene Names | GH receptor; GH-binding protein; GHBP |
| UniProt Entry Name         | GHR_PIG                               |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
