

## Mouse IMMP2L/Mitochondrial Inner Membrane Protease Subunit 2 ELISA Kit | IMMP2L elisa kit

Mouse IMMP2L/Mitochondrial Inner Membrane Protease Subunit 2 ELISA Kit

CATALOG #  
**AAA196829**

REACTIVITY  
**Mouse**

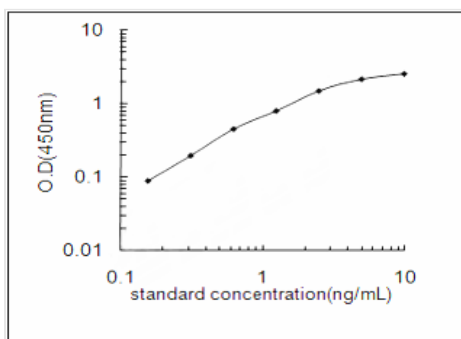

### PRODUCT SYNONYMS

IMMP2L/Mitochondrial Inner Membrane Protease Subunit 2; Mouse IMMP2L/Mitochondrial Inner Membrane Protease Subunit 2 ELISA Kit; Mitochondrial inner membrane protease subunit 2; IMP2-like protein; IMMP2L elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                               |
|-------------------------|-------------------------------------------------------------------------------|
| Reactivity              | Mouse                                                                         |
| Specificity             | Natural and recombinant Mouse Mitochondrial inner membrane protease subunit 2 |
| Sequence Length         | 175                                                                           |
| Assay Type              | Sandwich                                                                      |
| Detection Range         | 0.156-10ng/mL                                                                 |
| Sensitivity             | 0.089ng/mL                                                                    |
| Preparation and Storage | For long term storage, please store the entire kit at -20 degree C.           |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| NCBI GI #                        | 31981468                                                         |
| NCBI GeneID                      | 93757                                                            |
| NCBI Accession #                 | NP_444352.2                                                      |
| NCBI GenBank Nucleotide #        | NM_053122.4                                                      |
| UniProt Accession #              | Q8BPT6                                                           |
| NCBI Official Full Name          | mitochondrial inner membrane protease subunit 2                  |
| NCBI Official Synonym Full Names | IMP2 inner mitochondrial membrane peptidase-like (S. cerevisiae) |

|                               |                                                 |
|-------------------------------|-------------------------------------------------|
| NCBI Official Symbol          | Imp2l                                           |
| NCBI Official Synonym Symbols | IMP2; AI853880; Tg(HLA-A/H2-D)2Eng              |
| NCBI Protein Information      | mitochondrial inner membrane protease subunit 2 |
| UniProt Protein Name          | Mitochondrial inner membrane protease subunit 2 |
| UniProt Gene Name             | <b>Imp2l</b>                                    |
| UniProt Entry Name            | IMP2L_MOUSE                                     |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
