

## Human TIM-3 ELISA Kit | TIM-3 elisa kit

Human TIM-3 ELISA Kit

CATALOG #  
**AAA202171**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

TIM-3; Human TIM-3 ELISA Kit; TIM-3 elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 301                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 40 pg/ml-640 pg/ml                                                |
| Sensitivity     | 1 pg/ml                                                           |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for TIM-3 elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of TIM-3 in the sample, This TIM-3 ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus TIM-3 concentration. The concentration of TIM-3 in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                     |           |
|---------------------|-----------|
| NCBI GI #           | 311033536 |
| NCBI GeneID         | 84868     |
| UniProt Accession # | Q8TDQ0    |

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| NCBI Official Full Name          | Hepatitis A virus cellular receptor 2                    |
| NCBI Official Synonym Full Names | hepatitis A virus cellular receptor 2                    |
| NCBI Official Symbol             | HAVCR2                                                   |
| NCBI Official Synonym Symbols    | TIM3; CD366; KIM-3; SPTCL; TIMD3; Tim-3; TIMD-3; HAVcr-2 |
| NCBI Protein Information         | hepatitis A virus cellular receptor 2                    |
| UniProt Protein Name             | Hepatitis A virus cellular receptor 2                    |
| UniProt Gene Name                | <b>HAVCR2</b>                                            |
| UniProt Synonym Gene Names       | TIM3; TIMD3; HAVcr-2; TIMD-3; TIM-3                      |
| UniProt Entry Name               | HAVR2_HUMAN                                              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
