

# Human Sex-Determining Region Y Protein ELISA Kit | SRY elisa kit

Human Sex-Determining Region Y Protein ELISA Kit

CATALOG #  
**AAA203838**

REACTIVITY  
**Human**

## PRODUCT SYNONYMS

Sex-Determining Region Y Protein; Human Sex-Determining Region Y Protein ELISA Kit; SRY elisa kit

## PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 236                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 4ng/ml-64ng/ml                                                    |
| Sensitivity     | 0.1 ng/ml                                                         |

Standard Curve (Sample)

## ADDITIONAL INFORMATION

### Related Product Information for SRY elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of SEX-DETERMINING REGION Y PROTEIN in the sample, This SEX-DETERMINING REGION Y PROTEIN ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus SEX-DETERMINING REGION Y PROTEIN concentration. The concentration of SEX-DETERMINING REGION Y PROTEIN in the samples is then determined by comparing the O.D. of the samples to the standard curve.

## NCBI AND UNIPROT INFORMATION

|             |          |
|-------------|----------|
| NCBI GI #   | 56967947 |
| NCBI GeneID | 407740   |

|                          |                                  |
|--------------------------|----------------------------------|
| NCBI Official Full Name  | sex determining region Y         |
| NCBI Official Symbol     | SRY                              |
| NCBI Protein Information | sex-determining region Y protein |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
