

## Human Eosinophil Major Basic Protein (MBP) ELISA Kit | MBP elisa kit

Human Eosinophil Major Basic Protein (MBP) ELISA Kit

CATALOG #  
**AAA204242**

REACTIVITY  
**Human**

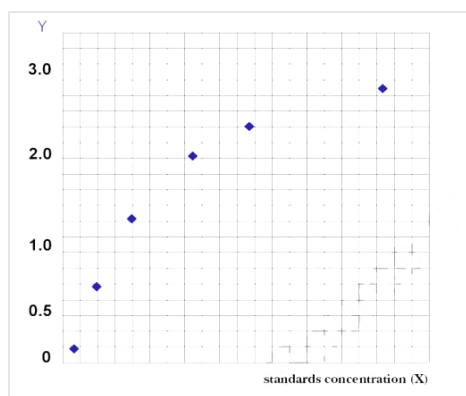

### PRODUCT SYNONYMS

Eosinophil Major Basic Protein (MBP); Human Eosinophil Major Basic Protein (MBP) ELISA Kit; MBP elisa kit

### PRODUCT SPECIFICATIONS

|                       |                                   |
|-----------------------|-----------------------------------|
| Reactivity            | Human                             |
| Sequence Length       | 222                               |
| Sensitivity           | 0.1 ng/mL                         |
| Intra-assay Precision | Intra-assay CV are less than 15%. |
| Inter-assay Precision | Inter-assay CV are less than 15%. |

### ADDITIONAL INFORMATION

#### Related Product Information for MBP elisa kit

**Intended Uses:** This MBP ELISA kit is intended Laboratory for Research use only and is not for use in test or therapeutic procedures. The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of MBP in the sample, this MBP ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus MBP concentration. The concentration of MBP in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                         |                                |
|-------------------------|--------------------------------|
| NCBI GI #               | <a href="#">306839</a>         |
| NCBI GeneID             | <a href="#">5553</a>           |
| NCBI Official Full Name | eosinophil major basic protein |

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| NCBI Official Synonym Full Names | proteoglycan 2, pro eosinophil major basic protein |
| NCBI Official Symbol             | PRG2                                               |
| NCBI Official Synonym Symbols    | MBP; BMPG; MBP1; proMBP                            |
| NCBI Protein Information         | bone marrow proteoglycan                           |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
