

## Human Cytidine Deaminase ELISA Kit | CDA elisa kit

Human Cytidine Deaminase ELISA Kit

CATALOG #  
**AAA204712**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Cytidine Deaminase; Human Cytidine Deaminase ELISA Kit; CDA elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 146                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 12.5 mU/mL-200 mU/mL                                              |
| Sensitivity     | 1 mU/mL                                                           |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for CDA elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of CYTIDINE DEAMINASE in the sample, This CYTIDINE DEAMINASE ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus CYTIDINE DEAMINASE concentration. The concentration of CYTIDINE DEAMINASE in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|             |         |
|-------------|---------|
| NCBI GI #   | 1705718 |
| NCBI GeneID | 978     |

|                                  |                        |
|----------------------------------|------------------------|
| UniProt Accession #              | <a href="#">P32320</a> |
| NCBI Official Full Name          | Cytidine deaminase     |
| NCBI Official Synonym Full Names | cytidine deaminase     |
| NCBI Official Symbol             | CDA                    |
| NCBI Official Synonym Symbols    | CDD                    |
| NCBI Protein Information         | cytidine deaminase     |
| UniProt Protein Name             | Cytidine deaminase     |
| UniProt Gene Name                | <b>CDA</b>             |
| UniProt Synonym Gene Names       | CDD                    |
| UniProt Entry Name               | CDD_HUMAN              |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
