

## Human Vasorin ELISA Kit | VASN elisa kit

Human Vasorin ELISA Kit

CATALOG #  
**AAA204945**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Vasorin; Human Vasorin ELISA Kit; VASN elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 2819                                                              |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 1.25ng/ml-20ng/ml                                                 |
| Sensitivity     | 0.1 ng/ml                                                         |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for VASN elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of VASORIN in the sample, This VASORIN ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus VASORIN concentration. The concentration of VASORIN in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|             |          |
|-------------|----------|
| NCBI GI #   | 46250450 |
| NCBI GeneID | 114990   |

|                                  |                            |
|----------------------------------|----------------------------|
| NCBI Official Full Name          | Homo sapiens vasorin, mRNA |
| NCBI Official Synonym Full Names | vasorin                    |
| NCBI Official Symbol             | VASN                       |
| NCBI Official Synonym Symbols    | SLITL2                     |
| NCBI Protein Information         | vasorin                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
