

## Human Topoisomerase II ELISA Kit | TOP2 elisa kit

Human Topoisomerase II ELISA Kit

CATALOG #  
**AAA205184**

REACTIVITY  
**Human**

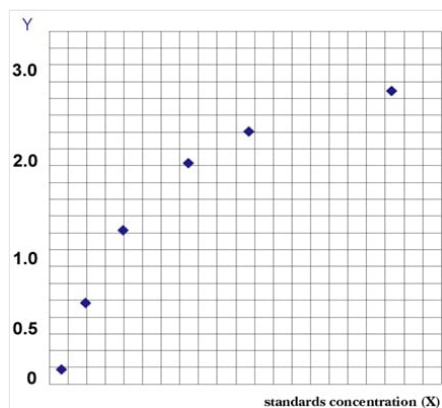

### PRODUCT SYNONYMS

Topoisomerase II; Human Topoisomerase II ELISA Kit; TOP2 elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 1473                                                              |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 20 mIU/mL-320 mIU/mL                                              |
| Sensitivity     | 1 mIU/mL                                                          |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for TOP2 elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of Human Topoisomerase II in the sample, This Human Topoisomerase II Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus Human Topoisomerase II concentration. The concentration of Human Topoisomerase II in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                  |                             |
|------------------|-----------------------------|
| NCBI GI #        | <a href="#">15229538</a>    |
| NCBI Accession # | <a href="#">NP_189031.1</a> |

|                           |                             |
|---------------------------|-----------------------------|
| NCBI GenBank Nucleotide # | <a href="#">NP_189031.1</a> |
| UniProt Accession #       | <a href="#">P30182</a>      |
| NCBI Official Full Name   | topoisomerase II            |
| UniProt Protein Name      | DNA topoisomerase 2         |
| UniProt Gene Name         | <b>TOP2</b>                 |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
