

## Human Casein beta ELISA Kit | CSN2 elisa kit

Human Casein beta ELISA Kit

CATALOG #  
**AAA206072**

REACTIVITY  
**Human**

### PRODUCT SYNONYMS

Casein beta; Human Casein beta ELISA Kit; CSN2 elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Human                                                             |
| Sequence Length | 226                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 3.125 ug/mL-50 ug/mL                                              |
| Sensitivity     | 0.1 ug/ml                                                         |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for CSN2 elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of CASEIN BETA in the sample, This CASEIN BETA ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus CASEIN BETA concentration. The concentration of CASEIN BETA in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|             |         |
|-------------|---------|
| NCBI GI #   | 4503087 |
| NCBI GeneID | 1447    |

|                                  |                             |
|----------------------------------|-----------------------------|
| NCBI Accession #                 | <a href="#">NP_001882.1</a> |
| NCBI GenBank Nucleotide #        | <a href="#">NP_001882.1</a> |
| UniProt Accession #              | <a href="#">P05814</a>      |
| NCBI Official Full Name          | beta-casein isoform 1       |
| NCBI Official Synonym Full Names | casein beta                 |
| NCBI Official Symbol             | CSN2                        |
| NCBI Official Synonym Symbols    | CASB                        |
| NCBI Protein Information         | beta-casein                 |
| UniProt Protein Name             | Beta-casein                 |
| UniProt Gene Name                | <b>CSN2</b>                 |
| UniProt Synonym Gene Names       | CASB                        |
| UniProt Entry Name               | CASB_HUMAN                  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
