

## Mouse Forkhead Box P3 (FOXP3) ELISA Kit | FOXP3 elisa kit

Mouse Forkhead Box P3 (FOXP3) ELISA Kit

|                               |                            |
|-------------------------------|----------------------------|
| CATALOG #<br><b>AAA206556</b> | REACTIVITY<br><b>Mouse</b> |
|-------------------------------|----------------------------|

### PRODUCT SYNONYMS

Forkhead Box P3 (FOXP3); Mouse Forkhead Box P3 (FOXP3) ELISA Kit; FOXP3 elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Mouse                                                             |
| Sequence Length | 431                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 20 pg/ml-320 pg/ml                                                |
| Sensitivity     | 1 pg/ml                                                           |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for FOXP3 elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of FOXP3 in the sample, This FOXP3 Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus FOXP3 concentration. The concentration of FOXP3 in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                         |                 |
|-------------------------|-----------------|
| NCBI GI #               | 109731678       |
| NCBI GeneID             | 50943           |
| NCBI Official Full Name | Forkhead box P3 |

|                                  |                                     |
|----------------------------------|-------------------------------------|
| NCBI Official Synonym Full Names | forkhead box P3                     |
| NCBI Official Symbol             | FOXP3                               |
| NCBI Official Synonym Symbols    | JM2; AIID; IPEX; PIDX; XPID; DIETER |
| NCBI Protein Information         | forkhead box protein P3             |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
