

## Rat P-Selectin ELISA Kit | SELP elisa kit

Rat P-Selectin ELISA Kit

CATALOG #  
**AAA208574**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

P-Selectin; Rat P-Selectin ELISA Kit; SELP elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Rat                                                               |
| Sequence Length | 830                                                               |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 2 pg/ml-32 pg/ml                                                  |
| Sensitivity     | 0.1 pg/ml                                                         |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for SELP elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of Rat P-Selectin in the sample, This Rat P-Selectin Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus Rat P-Selectin concentration. The concentration of Rat P-Selectin in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|             |        |
|-------------|--------|
| NCBI GI #   | 183389 |
| NCBI GeneID | 6403   |

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| NCBI Official Full Name          | granule membrane protein-140                    |
| NCBI Official Synonym Full Names | selectin P                                      |
| NCBI Official Symbol             | SELP                                            |
| NCBI Official Synonym Symbols    | CD62; GRMP; PSEL; CD62P; GMP140; LECAM3; PADGEM |
| NCBI Protein Information         | P-selectin                                      |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
