

## Rat Tissue Kallikrein (KLK) ELISA Kit | KLK elisa kit

Rat Tissue Kallikrein (KLK) ELISA Kit

CATALOG #  
**AAA209476**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Tissue Kallikrein (KLK); Rat Tissue Kallikrein (KLK) ELISA Kit; KLK elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Rat                                                               |
| Sequence Length | 48                                                                |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 20ng/ml-320ng/ml                                                  |
| Sensitivity     | 1 ng/ml                                                           |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for KLK elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of KLK in the sample, This KLK Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus KLK concentration. The concentration of KLK in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|                         |                            |
|-------------------------|----------------------------|
| NCBI GI #               | <a href="#">999011</a>     |
| NCBI GeneID             | <a href="#">3816</a>       |
| NCBI Official Full Name | tissue kallikrein, partial |

|                                  |                 |
|----------------------------------|-----------------|
| NCBI Official Synonym Full Names | kallikrein 1    |
| NCBI Official Symbol             | KLK1            |
| NCBI Official Synonym Symbols    | hK1; KLKR; Klk6 |
| NCBI Protein Information         | kallikrein-1    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
