

## Rat Coagulation Factor VII ELISA Kit | F7 elisa kit

Rat Coagulation Factor VII ELISA Kit

CATALOG #  
**AAA209992**

REACTIVITY  
**Rat**

### PRODUCT SYNONYMS

Coagulation Factor VII; Rat Coagulation Factor VII ELISA Kit; F7 elisa kit

### PRODUCT SPECIFICATIONS

|                 |                                                                   |
|-----------------|-------------------------------------------------------------------|
| Reactivity      | Rat                                                               |
| Sequence Length | 21                                                                |
| Samples         | Serum, plasma, cell culture supernate and other biological fluids |
| Assay Type      | Sandwich                                                          |
| Detection Range | 3.125ng/ml-50ng/ml                                                |
| Sensitivity     | 0.1 ng/ml                                                         |

Standard Curve (Sample)

### ADDITIONAL INFORMATION

#### Related Product Information for F7 elisa kit

Intended Use: The Stop Solution changes the color from blue to yellow and the intensity of the color is measured at 450 nm using a spectrophotometer. In order to measure the concentration of COAGULATION FACTOR VII in the sample, This COAGULATION FACTOR VII ELISA Kit includes a set of calibration standards. The calibration standards are assayed at the same time as the samples and allow the operator to produce a standard curve of Optical Density versus COAGULATION FACTOR VII concentration. The concentration of COAGULATION FACTOR VII in the samples is then determined by comparing the O.D. of the samples to the standard curve.

### NCBI AND UNIPROT INFORMATION

|             |          |
|-------------|----------|
| NCBI GI #   | 12750767 |
| NCBI GeneID | 2155     |

|                                  |                                 |
|----------------------------------|---------------------------------|
| NCBI Official Full Name          | coagulation factor VII, partial |
| NCBI Official Synonym Full Names | coagulation factor VII          |
| NCBI Official Symbol             | F7                              |
| NCBI Official Synonym Symbols    | SPCA                            |
| NCBI Protein Information         | coagulation factor VII          |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
