

## Rabbit anti-Human KSP Cadherin Polyclonal Antibody | anti-KSP antibody

Rabbit anti-KSP Cadherin Antibody

|                               |                       |                            |                                     |
|-------------------------------|-----------------------|----------------------------|-------------------------------------|
| CATALOG #<br><b>AAA219822</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|-------------------------------------|

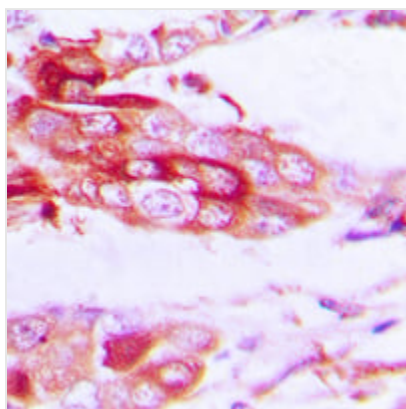

### PRODUCT SYNONYMS

KSP Cadherin; Polyclonal Antibody; Rabbit anti-KSP Cadherin Antibody; Cadherin-16; Kidney-specific cadherin; Ksp-cadherin; anti-KSP antibody

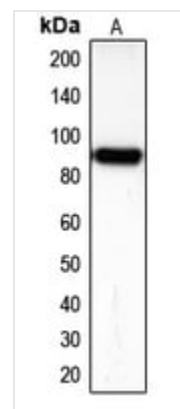

### PRODUCT SPECIFICATIONS

|                                               |                                                                                                                                             |
|-----------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                          | Rabbit                                                                                                                                      |
| Reactivity                                    | Human                                                                                                                                       |
| Clonality                                     | Polyclonal                                                                                                                                  |
| Purity/Purification                           | The antibody was purified by immunogen affinity chromatography.                                                                             |
| Form/Format                                   | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                                   |
| Concentration                                 | 1mg/mL (varies by lot)                                                                                                                      |
| Applicable Applications for anti-KSP antibody | WB (Western Blot)                                                                                                                           |
| Immunogen                                     | KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human KSP Cadherin. The exact sequence is proprietary. |
| Preparation and Storage                       | Store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                                                   |

### IMAGES

IHC (Immunohistochemistry)

WB (Western Blot)

Western blot analysis of KSP Cadherin expression in Caki1 (A) whole cell lysates.
