

## Rabbit anti-Human CEP57L1 Polyclonal Antibody | anti-CEP57L1 antibody

Rabbit anti-CEP57L1 Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                       |
|-----------|--------|------------|------------------------------------|
| AAA220205 | Rabbit | Human      | Immunohistochemistry, Western Blot |

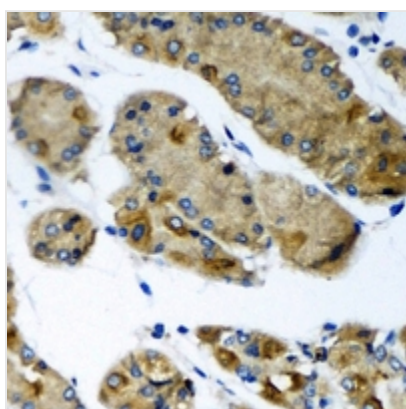

### PRODUCT SYNONYMS

CEP57L1; Polyclonal Antibody; Rabbit anti-CEP57L1 Antibody; C6orf182; CEP57R; Centrosomal protein CEP57L1; Centrosomal protein 57kDa-like protein 1; Centrosomal protein of 57 kDa-related protein; Cep57R; Cep57-related protein; anti-CEP57L1 antibody

### PRODUCT SPECIFICATIONS

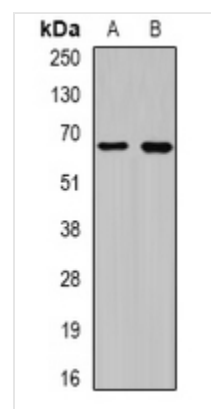

|                                                   |                                                                                                           |
|---------------------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                    |
| Reactivity                                        | Human                                                                                                     |
| Clonality                                         | Polyclonal                                                                                                |
| Purity/Purification                               | The antibody was purified by immunogen affinity chromatography.                                           |
| Form/Format                                       | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Concentration                                     | 1mg/mL (varies by lot)                                                                                    |
| Applicable Applications for anti-CEP57L1 antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                             |
| Immunogen                                         | Recombinant full length protein of human CEP57L1                                                          |
| Preparation and Storage                           | Store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                 |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of CEP57L1 staining in human gastric cancer formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

#### WB (Western Blot)

Western blot analysis of CEP57L1 expression in BT474 (A), 22RV1 (B) whole cell lysates.
