

## Rabbit anti-Human PDCD2L Polyclonal Antibody | anti-PDCD2L antibody

Rabbit anti-PDCD2L Antibody

| CATALOG # | HOST   | REACTIVITY | APPLICATIONS                       |
|-----------|--------|------------|------------------------------------|
| AAA220242 | Rabbit | Human      | Immunohistochemistry, Western Blot |

### PRODUCT SYNONYMS

PDCD2L; Polyclonal Antibody; Rabbit anti-PDCD2L Antibody; Programmed cell death protein 2-like; anti-PDCD2L antibody

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                                           |
|--------------------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                                    |
| Reactivity                                       | Human                                                                                                     |
| Clonality                                        | Polyclonal                                                                                                |
| Purity/Purification                              | The antibody was purified by immunogen affinity chromatography.                                           |
| Form/Format                                      | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide. |
| Concentration                                    | 1mg/mL (varies by lot)                                                                                    |
| Applicable Applications for anti-PDCD2L antibody | IHC (Immunohistochemistry), WB (Western Blot)                                                             |
| Immunogen                                        | Recombinant full length protein of human PDCD2L                                                           |
| Preparation and Storage                          | Store at -20 degree C. Avoid repeated freeze/thaw cycles.                                                 |

### IMAGES

#### IHC (Immunohistochemistry)

Immunohistochemical analysis of PDCD2L staining in human lung formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

#### WB (Western Blot)

Western blot analysis of PDCD2L expression in MCF7 (A), SKOV3 (B), mouse brain (C), mouse heart (D) whole cell lysates.

### ADDITIONAL INFORMATION

Product Categories/Family for anti-PDCD2L antibody
